To Owner/Occupier

Water of Leith Flood Prevention Scheme – Phase 2 Open Evening Invitation

I would like to invite you to an open evening we will be hosting in January in relation to phase 2 of the Water of Leith Flood Prevention Scheme.

McLaughlin & Harvey Ltd has recently been appointed by the Council as Main Contractor for the project and the main flood works will start early in the New Year.

The advanced diversion works in relation to power lines and streetlighting in Riversdale Crescent have now been completed and the gas main diversion by Scotia Gas Networks is currently ongoing. The diversion is expected to be complete by March 2016.

I have set out below some indicative project timescales. More detailed information will be available at the open evening.

- Ground Investigations	January 2016
- Establish site office at Balgreen	January 2016
- Tree felling (prior to bird breeding season)	February 2016
- Phase 1 main works commence in the Roseburn Park area	2 nd quarter 2016
- Planned completion date	1 st quarter 2018

Details of the open evening are as follows:

Date: 13 January 2016
Time: Between 4.00pm and 8.00pm
Location: Roseburn Primary School
64 Roseburn Street
Edinburgh
EH12 5PL

Members of the Council project team will be in attendance to provide updated information on the scheme and to answer any questions that you may have. McLaughlin and Harvey Ltd will also be in attendance to respond to specific queries relating to the construction phase of the project.

There is no need to respond to this notice, just come along on the day.

Thanks and we look forward to seeing you.

Rob Leech, Project Director, Water of Leith Flood Prevention Scheme – Phase 2
